**Your Network** - please list the various organizations you are affiliated with.

*Why? Much of our work as a board is connecting with others in the community. The different circles and organizations we are a part of can enhance our ability to support EAF.*

**Why are you interested in serving on the Eagan Art Festival board?**

*Why? No right answer here as there are many reasons to serve!*

**What skills and abilities do you bring? What type of thinker are you?**

*Why? The board is always looking for people with skills from artist to insurance expert. Our board is better when we recognize and utilize our members' skill sets.*
