4. Insurance: All food vendors must secure Commercial General Liability insurance, including products liability with minimum limits of coverage at \$500,000 each occurrence and \$500,000 general total limit and \$500,000 products aggregate limit. **REQUIRED: The certificate must state “the City of Eagan and the Dakota Center for the Arts and it’s assignees are listed as additional insureds” on such Commercial General Liability insurance, including Product Liability coverage. A Certificate of Insurance evidencing this insurance and a copy of the additional insured endorsement adding The Dakota Center for the Arts and the City of Eagan as additional insureds must be sent to the Executive Director when your application is accepted or you will not be allowed to enter the festival grounds. If you are subject to a state’s workers compensation statute, the certificate of insurance should include evidence of that coverage.**

5. Food Preparation: The same menu offered on Saturday must be available on Sunday. All food prepared before the festival must be prepared in a licensed and approved kitchen by order of the Minnesota Health Department. To maintain consistency and authenticity of the food, all food items sold at the festival must be prepared by the vendor’s employees. The Executive Director must approve menu additions, deletions, or substitutions. Projected attendance at the two-day festival in 2018 is 9000 assuming there is no inclement weather. Please estimate your needs accordingly.

6. Serving Area: Each food vendor must have an attractive preparation and serving area. Food vendors serving hot items must keep hot preparation materials out of public reach. This includes ovens, dispensers, warmers and deep fat fryers. Food vendor personnel must handle all food items under the same health rules and regulations required by the Minnesota Health Department. All food vendors are required to have a fire extinguisher in each booth as required by the Minnesota state fire codes.

7. Electrical: Food vendors needing 120v/20amp service will be charged \$50. An additional \$50 or \$100 will be charged for vendors requiring more power. A festival representative will visit your food booth on Saturday, June 23 at 8 a.m. with the state electrical inspector who will be checking permits and electrical set-ups. **You must be present.** Please **be specific about your electrical needs** on the application. Vendors are responsible for any fees assessed by the inspector on-site.

8. Wearing Apparel: All personnel in the food booths having contact with the public must wear appropriate attire for their respective duties. Particular attention needs to be given to safety.

9. Signs and Decorating: Food vendors are required to display a sign or banner identifying their business. The most appropriate banner size is 8’ x 30”. Food vendors are required to post menus and prices on a sign,

easily seen by the public, no smaller than 22" x 28". No signs can be located on the asphalt sidewalk as this impedes access.

10. License: The Minnesota Health Department requires all food vendors to be licensed. If a vendor is not licensed, a short-term permit may be secured when the state inspector visits your booth. Permits will be issued only after final approval by the Health Department. Please send a copy of your license with your application. Vendors are responsible for any fees assessed by the inspector on-site.

11. Sanitation: Food Vendors are responsible for maintaining acceptable standards within their booth. Each vendor is responsible for disposal of their own trash into the dumpster located on the festival grounds. Please bring bags and plan accordingly. Vendors are prohibited from using trash containers intended for festival patrons. Overflowing trash containers are not acceptable. At closing each night, vendors must put all boxed or bagged trash into the designated dumpster. Vendors must provide adequate personnel to comply with these garbage removal requirements.

Vendors are responsible for the cleanup of all grease and food spillage at their food booth. Cardboard or other suitable flooring must be used wherever grease, charcoal or food spillage is likely to occur. All gray water must be disposed of in the designated location. Do not dump any substance on the grass. All grease must be removed from the site by vendor. A \$50.00 deposit is required from each vendor to ensure sanitation compliance. A refund of \$50.00 will be made to you by August 31, 2018 if all festival rules, standards and regulations have been adhered to in and around your exhibit space.

12. Use of Food Exhibitor Space: Keep the area directly in front of your booth clear of merchandise or signage. Outside space at rear of booth may be used for storage. No strolling or mobile unit sales may be set up without permission of the Executive Director. Your booth may not be closed during festival hours without permission of the Executive Director. Food vendors will use their assigned space only for the purpose of selling menu items described and identified in the Festival Agreement. All vendors must stay within their assigned 10' frontage. Vendors must specify if additional frontage space is needed as an extra charge will apply. Please contact the Executive Director regarding additional frontage space.
